S. 16 **G. N., G. D., No. 8194, dated 15th November 1913 (B. G., Pt. I, p. 1987).**

In exercise of the powers conferred by section 16 of the Lepers Act, 1898 (III of 1898), the Governor in Council is pleased to make the following rules for carrying out the purposes of the Act in the asylums at Ahmedabad and Ratnagiri appointed to be asylums by Government Notification, No. 8190,* dated 15th November 1913 :—

1. The asylums shall be under the management of the Superintendents appointed by Government Notification, No. 8191,† dated the 15th November 1913, and shall be subject to inspection and supervision by the Boards appointed by Government Notification, No. 8190,* dated the 15th November 1913.

2. (1) The Board shall meet at least once every six months for the transaction of business at such place as may be fixed by the President. The President may also call a special meeting at any time. Two members shall form a quorum. The proceedings of the Board shall be recorded in a book to be kept for that purpose.

(2) The Board at its ordinary meetings shall appoint two or more of its members, one of whom shall be the medical member, to fulfil the requirements of section 13 of the Act until the date of its next meeting.

(3) The inspection book kept under section 13 shall be laid before the Board, and the Board may enter any remarks that it may deem proper in regard to the condition of the asylum and such of the inmates as have been admitted under the Act, and any suggestions for the management of the asylum.

3. The President shall submit to the Surgeon General with the Government of Bombay a copy of all remarks entered by the members of the Board in the book kept under section 13.

4. (1) When a magistrate sends a leper to the asylum under section 8, he shall cause to be attached to the warrant of detention (Form C) a descriptive roll containing the following particulars, viz. :—

(*a*) Name.
(*b*) Father's name.
(*c*) Age, height and general appearance.
(*d*) Sex.
(*e*) Caste or religion.
(*f*) Place of abode.
(*g*) Occupation.
(*h*) Family history, if known.
(*i*) List of property sent with the leper.

* This notification is printed in this Volume under ss. 3 and 5.
† This notification is printed in this Volume under s. 4.

(2) No magistrate should send a leper to the asylum without first ascertaining from the Superintendent that accommodation is available.

5. (1) The Superintendent shall be responsible for the carrying out of all rules and orders affecting the asylum, for the maintenance of order and discipline therein, and for the comfort and well-being of the inmates in respect of general and medical treatment.

(2) He shall report to the President, as they occur, all escapes and breaches of discipline among the lepers admitted under the Act, and all sudden deaths and outbreaks of epidemic disease and the measures taken to prevent the spread of such disease.

(3) In case of escape of a leper admitted under the Act, he shall also forward a report to the Police Sub-Inspector within whose jurisdiction the asylum is situated with a description of the leper to enable the police to take measures to effect a recapture.

6. In the event of any epidemic disease appearing, the medical officer in charge of the asylum shall at once report the fact to the Superintendent. He shall keep a case book in Form V for each leper in the asylum.

7. All subordinates employed for the purposes of the Act shall be appointed by the Board, but the Superintendent shall have power, in case of a vacancy occurring from any cause, to appoint a temporary substitute.

8. When a leper is admitted into the asylum under the Act, the Superintendent, after satisfying himself that the medical certificate (Form B) and the magistrate's warrant (Form C) are in order, shall make the necessary entries regarding the leper in the General Register in Form I and shall see that the necessary treatment is at once accorded by the medical officer of the asylum.

**G. N., G. D., No. 8195, dated 15th November 1913 (B. G., Pt. I, p. 1992).** S. 16

In exercise of the powers conferred by section 16 of the Lepers Act, 1898 (III of 1898), the Governor in Council is pleased to make the following rules for carrying out the purposes of the Act in the Asylums at Nasik and Sholapur appointed to be leper asylums by Government Notification No. 8190,* dated the 15th November 1913 :—

1. The asylums shall be under the management of the Superintendents appointed by Government Notification No. 8191,† dated the 15th November 1913, and shall be subject to inspection and supervision by the Boards appointed by Government Notification No. 8190,* dated the 15th November 1913.

2. (1) The Board shall meet at least once every six months for the transaction of business at such place as may be fixed by the President. The President may also call a special meeting at any time. Two members shall form a quorum. The proceedings of the Board shall be recorded in a book to be kept for that purpose.

(2) The Board at its ordinary meetings shall appoint two or more of its members, one of whom shall be the medical member, to fulfil the requirements of section 13 of the Act until the date of its next meeting.

(3) The inspection book kept under section 13 shall be laid before the Board, and the Board may enter any remarks that it may deem proper in regard to the condition of the asylum and such of the inmates as have been admitted under the Act, and any suggestions for the management of the asylum.

3. The President shall submit to the Surgeon General with the Government of Bombay a copy of all remarks entered by the members of the Board in the book kept under section 13.

4. (1) When a magistrate sends a leper to the asylum under section 8, he shall cause to be attached to the warrant of detention (Form C) a descriptive roll containing the following particulars, viz. :—

(*a*) Name.
(*b*) Father's Name.
(*c*) Age, height and general appearance.
(*d*) Sex.
(*e*) Caste or religion.
(*f*) Place of abode.
(*g*) Occupation.
(*h*) Family history, if known.
(*i*) List of property sent with the leper.

(2) No magistrate should send a leper to the asylum without first ascertaining from the Superintendent that accommodation is available.

5. (1) The Superintendent shall be responsible for the carrying out of all rules and orders affecting the asylum, for the maintenance of order and discipline therein, and for the comfort and well-being of the inmates in respect of general and medical treatment.

(2) He shall report to the President, as they occur, all escapes and breaches of discipline among the lepers admitted under the Act, and all sudden deaths and outbreaks of epidemic disease and the measures taken to prevent the spread of such disease.

(3) In cases of escape of a leper admitted under the Act, he shall also forward a report to the Police Sub-Inspector within whose jurisdiction, the asylum is situated with a description of the leper to enable the police to take measures to effect a recapture.

* This notification is printed in this Volume under ss. 3 and 5.

† This notification is printed in this Volume under s. 4.

6. (1) A qualified medical practitioner, who shall ordinarily be the medical practitioner (if any) employed by the Mission to Lepers in India and the East for the Nasik Asylum and by the American Marathi Mission for the Sholapur Asylum, shall be in medical charge of the asylum.

(2) His appointment shall be subject to the approval of the Surgeon General with the Government of Bombay and in the performance of his duties he shall be under the control and supervision of the Civil Surgeon of the district.

(3) He shall act in immediate subordination to the Superintendent.

(4) In the event of any epidemic disease appearing, he shall at once make a report to the Superintendent.

(5) He shall keep a case book in Form V for each leper in the asylum.

7. All subordinates employed for the purposes of the Act shall be appointed by the Board, but the Superintendent shall have power, in case of a vacancy occurring from any cause, to appoint a temporary substitute.

8. When a leper is admitted into the asylum under the Act, the Superintendent, after satisfying himself that the medical certificate (Form B) and the magistrate's warrant (Form C) are in order, shall make the necessary entries regarding the leper in the General Register in Form I and shall see that the necessary treatment is at once accorded by the medical officer of the asylum.

9. (1) The Superintendent shall take charge of, and enter in Register I, all clothes and property brought by any leper into the asylum.

(2) No article shall be brought into the asylum without the Superintendent's permission.

10. The scale of diet, the hours of meals and the general routine of the asylum shall be prescribed by the Superintendent, subject to the approval of the Board, and shall ordinarily be similar to those prescribed by the rules framed by the Mission.

11. The inmates of the asylum shall obey all orders lawfully given by the Superintendent.

12. The pauper lepers shall be employed on such light occupation as may be determined by the Superintendent, subject to the approval of the Board.

13. Lepers admitted under the Act, who are desirous of availing themselves of the facilities for education offered by the Mission, shall be permitted to do so at their own option.

14. Every leper admitted under the Act shall be permitted the free exercise of his religion and caste rules, and no distinction shall be made between Christians and non-Christians.

15. Friends and relatives shall be admitted to visit inmates at stated times with the permission of the Superintendent.

**G. N., G. D., No. 3472, dated 29th April 1915 (B. G., Pt. I, p. 1177).** s. 16

*Amended by G. N., G. D., No. 1095, dated 30th September 1933.*

In exercise of the powers conferred by section 16 of the Lepers Act, 1898 (III of 1898), the Governor in Council is pleased to make the following rules for carrying out the purposes of the Act in the Acworth Leper Asylum, Matunga, appointed under Government Notification No. 4374,* dated the 18th July 1911, to be the Asylum for lepers for the Town and Island of Bombay :—

1. The Asylum shall be under the management of the Superintendent appointed by Government under section 4 of the Act and shall be subject to inspection and supervision by the Board appointed by Government Notification No. 4374-B,† dated the 18th July 1911.

2. (1) The Board shall meet quarterly for the transaction of business at such place as may be fixed by the President. The President may also call a special meeting at any time. Three members shall form a quorum. The proceedings of the Board shall be recorded in a book to be kept for that purpose.

(2) The Board at its ordinary meetings shall appoint two or more of its members, one of whom shall be the Medical Member, to fulfil the requirements of section 13 of the Act until the date of its next meeting.

(3) The inspection book kept under section 13 shall be laid before the Board and the Board may enter any remarks which it may deem proper in regard to the condition of the Asylum and such of the inmates as have been admitted under the Act, and any suggestions for the management of the Asylum.

3. (1) When a magistrate sends a leper to the Asylum under section 8, he shall cause to be attached to the warrant of detention (Form C) a descriptive roll containing the following particulars, viz. :—

(*a*) Name.
(*b*) Father's name.
(*c*) Age, height and general appearance.
(*d*) Sex.
(*e*) Caste or religion.
(*f*) Place of abode.
(*g*) Occupation.
(*h*) Family history, if known.
(*i*) List of property sent with the leper.

(2) No magistrate shall send a leper for detention in the Asylum unless he is satisfied that the leper has been resident in the Town or Island of Bombay during the preceding five years. If, however, a leper is found to have been resident, in the Town or Island of Bombay for less than five years, the magistrate may after ascertaining that there is sufficient accommodation in the Acworth Leper Asylum, commit the leper to this Asylum to be detained there at the expense of Government until such time as arrangements can be made for the deportation of the leper from Bombay to the Asylum of the district to which he belongs : or, if there is no such Asylum or insufficient accommodation in such Asylum, until the orders of Surgeon General with the Government of Bombay in his behalf are received.

4. (1) The Superintendent, who shall be, if possible, a qualified medical practitioner, shall be responsible for carrying out all rules and orders affecting the Asylum, for the maintenance of order and discipline therein, and for the comfort and well-being of the inmates in respect of general and medical treatment.

* This notification is printed in this Volume under s. 5.
† This notification is printed in this Volume under s. 3.

(2) He shall report to the President, as they occur, all escapes and breaches of discipline among the lepers admitted under the Act, and all sudden deaths and outbreaks of epidemic diseases and the measures taken to prevent the spread of such diseases.

(3) In the case of the escape of a leper admitted under the Act he shall forward a report to the Commissioner of Police, Bombay, with a description of the leper to enable the police to take measures to effect his recapture.

(4) In the event of any epidemic disease appearing the medical officer in charge of the Asylum shall, if that officer be separate from the Superintendent, at once report the fact to the Superintendent. He shall keep a case book in Form V for each leper in the Asylum.

5. All subordinates employed for the purposes of the Act shall be appointed by the President of the Board, but the Superintendent shall have power, in the event of a vacancy occurring from any cause, to appoint a temporary substitute.

6. When a leper is admitted into the Asylum under the Act, the Superintendent after satisfying himself that the medical certificate (Form B) and the magistrate's warrant (Form C) are in order, shall make the necessary entries regarding the leper in the General Register in Form I, and shall see that treatment, if necessary is at once accorded.

7. (1) The Superintendent shall take charge of and enter in Register I, all clothes and property brought by any leper into the Asylum.

(2) No articles shall be brought into the Asylum without the Superintendent's permission.

8. The scale of diet, the hours of meals and the general routine of the Asylum shall be prescribed by the Superintendent subject to the approval of the Board.

9. The inmates of the Asylum shall obey all lawful orders given by the Superintendent.

10. The able-bodied lepers shall be employed on such light occupation as may be determined by the Superintendent subject to the approval of the Board.

11. Every leper admitted under the Act shall be permitted the free exercise of his religion and caste rules, so far as such exercise is consistent with the discipline of the Asylum.

12. Friends and relations shall be admitted to visit inmates at stated times with the permission of the Superintendent.

13. Breaches of discipline shall be punished by the Superintendent at his discretion subject to any general or special rules of the Board. All orders of punishment shall be entered in a register kept for the purpose which shall be submitted regularly for the approval of the Board.

14. The following registers and books shall be kept by the Superintendent :—

General Register in Form I;

(2) No Magistrate should send a leper to the asylum without first ascertaining from the Superintendent that accommodation is available.

5. (1) The Superintendent shall be responsible for the carrying out of all rules and orders affecting the asylum for the maintenance of order and discipline therein and for the comfort and well-being of the inmates in respect of general and medical treatment.

(2) He shall report to the President as they occur, all escapes and breaches of discipline among the lepers admitted under the Act, and all sudden deaths and outbreaks of epidemic disease and the measures taken to prevent the spread of such disease.

(3) In cases of escape of a leper admitted under the Act, he shall also forward a report to the Police Sub-Inspector within whose jurisdiction the asylum is situated with a description of the leper to enable the police to take measures to effect a recapture.

* This notification is printed in this Volume under s. 3.

6. (1) A qualified medical practitioner who shall ordinarily be the medical practitioner (if any) employed by the Mission to Lepers in India and the East shall be in medical charge of the asylum.

(2) His appointment shall be subject to the approval of the Surgeon General with the Government of Bombay and in the performance of his duties he shall be under the control and supervision of the Civil Surgeon of the District.

(3) He shall act in immediate subordination to the Superintendent.

(4) In the event of any epidemic disease appearing he shall at once make a report to the Superintendent.

(5) He shall keep a case book in Form V appended to these rules for each leper in the asylum.

7. When a leper is admitted into the asylum under the Act, the Superintendent after satisfying himself that the medical certificate (Form B) and the Magistrate's warrant (Form C) are in order shall make the necessary entries regarding the leper in the General Register in Form I appended to these rules and shall see that the necessary treatment is at once accorded by the medical officer of the asylum.

8. (1) The Superintendent shall take charge of, and enter in the Register Form I details of all clothes and property brought by any leper into the asylum.

(2) No articles shall be brought into the asylum without the Superintendent's permission.

9. The scale of diet, the hours of meals and the general routine of the asylum shall be prescribed by the Superintendent subject to the approval of the Board, and shall ordinarily be similar to those prescribed by rules framed by the Mission.

10. The inmates of the asylum shall obey all orders lawfully given by the Superintendent.

11. The pauper lepers shall be employed on such light occupation as may be determined by the Superintendent, subject to the approval of the Board.

12. Lepers admitted under the Act, who are desirous of availing themselves of the facilities for education offered by the Mission, shall be permitted to do so, at their own option.

13. Every leper admitted under the Act, shall be permitted the free exercise of his religion and caste rules and no distinction shall be made between Christians and non-Christians.

14. Friends and relatives shall be admitted to visit inmates and any respectable teacher of any religion shall have access to his own adherents at stated times with the permission of the Superintendent, provided that the orders of the Superintendent shall be subject to the control of the Board.

15. Untainted children of leper inmates shall be kept in a nursery to which the parents shall have access at stated times and under proper safeguards to be prescribed by the Superintendent, subject to the control of the Board.

16. Breaches of discipline shall be punished by the Superintendent at his discretion, subject to any general or special orders of the Board. All orders of punishment shall be entered in a register kept for the purpose which shall be submitted regularly for the approval of the Board.

17. The following registers and books (appended to these rules) shall be kept by the Superintendent :—

**G. N., G. D., No. 7044 (f), dated 4th May 1934 (B. G., Pt. I, p. 956).** S. 16

In exercise of the powers conferred by section 16 of the Lepers Act, 1898 (III of 1899), the Government of Bombay (Transferred Departments) are pleased to make the following rules for carrying out the purposes of the Act in the Parvatibai Leper Asylum at Surat appointed to be a Leper Asylum by Government Notification No. 7044 (*b*),* dated the 4th May 1934 :—

1. The Asylum shall be under the management of the Superintendent appointed by Government Notification No. 7044 (*c*),† dated the 4th May 1934, and shall be subject to inspection and supervision by the Board appointed by Government Notification No. 7044 (*b*),* dated the 4th May 1934.

2. (1) The Board shall meet at least once every six months for the transaction of business at such place as may be fixed by the President. The President may also call a special meeting at any time. Two members shall form a quorum. The proceedings of the Board shall be recorded in a book to be kept for that purpose.

(2) The Board at its ordinary meetings shall appoint two or more of its members, one of whom shall be the medical member, to fulfil the requirements of section 13 of the Act until the date of its next meeting.

(3) The inspection book kept under section 13 shall be laid before the Board, and the Board may enter any remarks that it may deem proper in regard to the condition of the asylum and such of the inmates as have been admitted under the Act, and any suggestions for the management of the asylum.

3. The President shall submit to the Surgeon General with the Government of Bombay a copy of all remarks entered by the members of the Board in the book kept under section 13.

4. (1) When a magistrate sends a leper to the asylum under section 8, he shall cause to be attached to the warrant of detention (Form C) a descriptive-roll containing the following particulars, viz. :—

(*a*) Name.
(*b*) Father's name.
(*c*) Age, height and general appearance.
(*d*) Sex.
(*e*) Caste or religion.
(*f*) Place of abode.

outbreaks of epidemic disease, and the measures taken to prevent the spread of such disease.

(3) In cases of escape of a leper admitted under the Act, he shall also forward a report to the Police Sub-Inspector within whose jurisdiction the asylum is situated with a description of the leper to enable the police to take measures to effect a recapture.

6. In the event of any epidemic disease appearing, the medical officer in charge of the asylum shall at once report the fact to the Superintendent. He shall keep a case book in Form V for each leper in the asylum.

7. All subordinates employed for the purposes of the Act shall be appointed by the Board, but the Superintendent shall have power, in case of a vacancy occurring from any cause, to appoint a temporary substitute.

8. When a leper is admitted into the asylum under the Act, the Superintendent, after satisfying himself that the medical certificate (Form B) and the magistrate's warrant (Form C) are in order, shall make the necessary entries regarding the leper in the General Register in Form I and shall see that the necessary treatment is at once accorded by the medical officer of the asylum.

9. (1) The Superintendent shall take charge of, and enter in Register I, all clothes and property brought by any leper into the asylum.

(2) No article shall be brought into the asylum without the Superintendent's permission.

10. The scale of diet, the hours of meals and the general routine of the asylum shall be prescribed by the Superintendent, subject to the approval of the Board.

11. The inmates of the asylum shall obey all orders lawfully given by the Superintendent.

(2) No Magistrate shall send a leper to the asylum without first ascertaining from the Superintendent that accommodation is available for his reception.

7. (1) The Superintendent shall be responsible for the carrying out of all rules and orders affecting the asylum, for the maintenance of order and discipline therein, and for the comfort and well-being of the inmates and their general and medical treatment.

(2) The Superintendent shall report to the President, as soon as it occurs, every case of—

(*i*) escape ;
(*ii*) breach of discipline ;
(*iii*) death ;
(*iv*) outbreak of any epidemic disease and measures to prevent its spreading.

(3) In case of escape of an inmate the Superintendent shall also forward a report to the Police Sub-Inspector within whose jurisdiction the asylum is situated, with a description of the leper to enable the police to take measures to effect a recapture.

8. (1) The Superintendent shall be in charge of the medical section of the asylum and in the performance of his duties he shall be subject to the control and supervision of the Civil Surgeon of the Kolaba district.

(2) He shall keep a case book as provided in rule 17 for each inmate of the asylum.

(3) In the event of an outbreak of any epidemic disease, he shall report the fact immediately to the Civil Surgeon of the Kolaba dstrict.

9. When a leper is admitted into the asylum the Superintendent shall, after satisfying himself that the certificate and the warrant of detention in Forms B and C, respectively, are in order, make the necessary entries regarding the leper in the General Register kept under rule 17 and see that the necessary treatment is accorded at once.

10. (1) The Superintendent shall take charge of and make an entry in the General Register maintained under rule 17 regarding the clothes and property brought by any leper into the asylum.

(2) No article shall be brought into the asylum without the permission of the Superintendent.

11. The scale of diet, the hours of meals and the general routine of the asylum shall be prescribed by the Superintendent, subject to approval of the Board.

12. The inmates of the asylum shall obey all orders lawfully given by the Superintendent.

13. Pauper lepers shall be employed on such light occupation as may be determined by the Superintendent subject to the approval of the Board.

14. Every inmate of the asylum shall be permitted the free exercise of his religion and the practices of his community.

15. Friends and relatives of inmates shall be allowed to visit them at stated times with the permission of the Superintendent.

16. Subject to any general or special directions of the Board, breaches of discipline shall be punished by the Superintendent at his discretion. All orders of punishment shall be entered in a register kept for the purpose, which shall be submitted regularly for the approval of the Board.

17. (1) The Superintendent shall maintain—

(2) No magistrate shall send a leprosy patient to the Asylum without first ascertaining from the Superintendent that accommodation is available for his reception.

7. (1) The Superintendent shall be responsible for the carrying out of all rules and orders affecting the Asylum, for the maintenance of order and discipline therein and for the comfort and well-being of the inmates and their general and medical treatment.

(2) The Superintendent shall report to the President, as soon as it occurs, every case of—

(*i*) escape ;

(*ii*) breach of discipline;

(*iii*) death ;

(*iv*) outbreak of any epidemic disease and measures to prevent its spreading.

(3) In case of escape of an inmate the Superintendent shall also forward a report to the Police Sub-Inspector within whose jurisdiction the Asylum is situated,with a description of the leprosy patient to enable the police to take measures to effect a recapture.

8. (1) The Superintendent shall be in charge of the medical section of the Asylum and in the performance of his duties he shall be subject to the control and supervision of the Civil Surgeon of the Satara South District.

(2) He shall keep a case book as provided in rule 17 for each inmate of the Asylum.

(3) In the event of an outbreak of any epidemic disease, he shall report the fact immediately to the Civil Surgeon of the Satara South District.

9. When a leprosy patient is admitted into the Asylum, the Superintendent shall, after satisfying himself that the certificate and the warrant of detention in Forms "B" and "C" in the Schedule appended to the Act, respectively, are in order, make the necessary entries regarding the leprosy patient in the General Register kept under rule 17 and see that the necessary treatment is accorded at once.

10. (1) The Superintendent shall take charge of and make an entry in the General Register maintained under rule 17 regarding the clothes and property brought by any leper into the Asylum ;

(2) No article shall be brought into the Asylum without the permission of the Superintendent.

11. The scale of diet, the hours of meals and the general routine of the Asylum shall be prescribed by the Superintendent, subject to the approval of the Board.

12. The inmates of the Asylum shall obey all orders lawfully given by the Superintendent.
